IV. Statement of Claim:

State here as briefly as possible the facts of your case. Describe how each defendant is involved, including names, dates, and places. **Do not give any legal arguments or cite any cases or statutes.** If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. (Use as much space as you need. Attach extra sheets if necessary.)

I. Facts of this Bivens Action.

A. I was locked up at AUSP Thomson, in Illinois on 12-8-21. That's a Federal Prison. I was assaulted on three separate occasions on 12-8-21. All three assaults was while I was still in hand cuffs.

B. The first assault was by my cellmate K. Mac inside my cell # F-228; in F-2 unit. At 8:00 AM. He busted my lip. And I got my lip stitched up by Jerry Catt for that assault later that day.

C. The second assault was by C.O.C. Cook right after the first one. When he came inside the cell and punched me on the right side of my head and Knocked me unconscious.

D. The third assault was after C.O.C. Cook and C.O. D. Fulton escorted me inside the handicap shower with

[If you need additional space for ANY section, please attach an additional sheet and reference that section.]

the letter D on the door. Inside F-2 Unit. Right after the first two assaults.

E. After C.O.C. Cook and C.O.D. Fulton cleaned the mace off my face. They both lifted me higher than the door way. C.O. C. Cook had me by my ankles. And C.O. D. Fulton palmed the back of my head, while holding me up by my chest with his left hand. On the count of three; C.O.D. Fulton slamed my forehead down to the concrete floor and Knocked me unconscious. My face was fractured also in that assault. The shower is a blind spot where no camera can see. So there is no recording of my third assault.

F. C.O.C. Cook and C.O.D. Fulton assaulted me inbetween my first assault by my celly K.Mac, but before I was seen by medical. My celly assaulted me at 8:00 A.M. And medical seen me at 8:41 AM. I was assault two times inbetween 8:00AM and 8:41 AM. And there was no portable camera man watching the C.O.'s handling me inside the shower. And by BOP Policy staff has to dechemicalize a inmate after he is maced. A inmate can not dechemicalize his self.

See Attachments #1 through #16.

'Attachment to page #5' #1 of #16

G. When I woke up on the floor, C.O.D. Fulton was gone out of the unit F-2 and C.O.C. Cook panicked and lifted me to my feet and went out of the shower and uncuffed me.

H. I was very dizzy for a long time. And C.O.C. Cook was just looking at me. Then C.O.D. Fulton came back and stood next to C.O.C. Cook. C.O.C. Cook then told C.O.D. Fulton that I only have a concussion. And he said that he is sure because he had one before.

I. C.O.C. Cook and C.O.D. Fulton waited until I was fully conscious again, before they left F-2 Unit to go get me medical help.

J. Now, C.O.C. Cook and C.O.D. Fulton did not tell medical about my second and third assaults that were committed by them. Like they should have by BOP-Policy. Or that I may have a serious head injury. Because they would lose their jobs.

K. Medical did not see me unconscious or assaulted the extra two times. So, they would not address my head injuries by sending me out to a outside hospital for a (MRI) CAT Scan. Or event

'Attachment to page #5' #2 of #16
report the head injuries at all. Or the loss of consciousness.

L. I had constant nose bleedings for four months straight. And still have them from time to time. And my head aches never went away. It FEEL's like I was just slammed on my head again some times. I could have a tumor growing in my head right now.

M. And nothing is being done because all the staff named in this action are conspiring for the cover-up, to save these C.O.'s jobs. I told all of them personally or through the mail. And nothing was ever done.

N. On 1-5-22. I was ambushed at the shower in F-2 Unit by C.O.C.Cook and C.O.D.Fulton. Both C.O.'s threatened that I better keep their names out of my mouth or else I will not make it out of Thomson USP alive. Then C.O.C.Cook came back to F-2 Unit later and told all of the black inmates my name and cell number. And that I am a child rapist. Event though I don't have a child rape charge. The C.O.'s screamed and hollared that they did not come inside the Shower with me on 12-8-21 to. They both lied.

O. C.O.C.Cook told my cell K.Mac to assault

'Attachment to page #5' #3 of #16
me while I am still in hand cuffs because I am
a sex offender. C.O.C.Cook gave my celly K.Mac a
job at Big Sandy USP. My celly told me so.
And after my cellies assault C.O.C.Cook and C.O.
D.Fulton tortured me and attempted to kill me so
they could blame it on my cellies assault in the cell.

P. I did a freedom of Information act request to
Mr. Eugene Baime at the Department of Justice
to get a copy of the After Action Report (BP-E583)
and the Incident Report (BP-E586) and the
Medical Overview Report (BP-S)

Q I got a letter back from the freedom of Information
Act Request staff saying that it may be a 9 month
wait to get the Three reports.

R. The three reports should tell everything that
the C.O's, Lieutenant and medical filed in their
reports about the incidence on 12-8-21.

S. The phone is my witness that I told my family about
this every month. The camera outside of the shower
is my witness that both C.O's entered the shower
with me. So I want to subpoena the camera in F-2
Unit on 12-8-21. And I want to subpoena all of

'Attachment to page #5' #4 of #16
my phone records from USP Thomson from 12-8-21
to 8-22-22.

T. The counselor in F-2 Unit J. Graham would not give me a BP-9 Form, so I could start the Administrative Remedy Process. He told me no every time I asked him. I asked him personally or through the mail every week in every month until I left F-2 Unit for good in July or August 2022. I have three witness that will testify that he said no every time I asked for the forms. They are Dakota Walker # 25061-081 and Averill Coles # 06117-007 and Domonic McDonald. I got a BP-9 form from another inmate named Rico and I sent it out through a different counselor named L. Stringer as legal mail. On 4-10-22, J. Graham gave me my response already open from the Regional Director. And he laughed in my face and said that the Director said my situation is not a sensitive matter. And he said that he is still not going to give me a BP-9 event after the region told me in the letter to file at the prison level. They gave me 10 or 20 days, to file it. I have a copy of it that I mailed home to my family. I did mail out a (SF-95) tort Claim to the region but I was not able to file the Administrative Remedy Process. So, one is not good without the other.

'Attachment to page #5' #5 of #16

U. I showed medical staff C.Bungard multiple bloody tissue's from my nose bleed's. And she said put in a sick call request. And I did, with no success.

Anything related to my three assault's on 12-8-21.
And I was ignored by medical.

V. I should have been seen for each one of my three separate assaults individually. Because they were separate from each other. One assault does not have nothing to do with the other assault. And a inmate has to be seen every time he is injured by medical.
By BOP Policy.

W. C.O.D.Fulton poisoned my food on or about 5-2-22.
And he caused my heart to beat irregularly for two weeks. And I had bloody stools. I went to medical and was diagnosed with a arrhythmia. I had a EKG done the month before on or about 4-6-22. Mrs. K. Miller told me that my heart was okay. So, C.O. D.Fulton tortured me further. My health was getting worse. My lab records showed 7 things high and 1 thing low and 2 things I diget from being high. And I felt sick. In November I only had one thing low. 2021.

X. Now, I wrote the department of justice Office of the Inspector General two times in February 2022.

'Attachment to page #5' #6 of #16
And once more in March 2022. I wrote them
everything about what I went through there at
USP Thomson.

- Y. The Department of Justice sent some one from
there office to come and visit me for a interview
about what I been through there at Thomson USP.
The Date was on or about 6-28-22.
- Z. Now C.O.S. Madden came to my cell (F-444)
in F-4 unit. On or about 6-28-22. And she asked
me if I wanted to go on my legal visit to see
the (OIG) or (DOJ). And I said yes. C.O.
S. Madden told me that she would be back
to get me. But she never did come back. About
a week later I seen Ms. S. Madden working
my unit F-2. And I asked her why did she
not come back and get me for my visit. And
she told me that the (DOJ) changed their
mind and said they don't need me anymore.
C.O.S. Madden told the (DOJ) that I refused
the visit. She lied to a federal agent in the
mist of his investigation, of my situation. Therefore
my complaint to the (DOJ) was dismissed. I have
all of my Certified Mail Receipts and Domestic
Return Receipts inside my property.

2. Statement of Claim.

'Attachment to page #5' #7 of 16

Claim #1

C.O.D.Fulton did not report to medical that he slammed me on my head and possibly caused me to have a serious head injury. Which caused medical to not see me for my head injury or report my head injury. Then he lied inside his report of the incident. Saying that I self-dechemicalized in the shower to cover-up his torturing assault. He also would not report to medical that he poisoned my food one time giving me a heart arrhythmia. Nurse Ms. Sweeney told me that I have a heart arrhythmia on or about 5-13-22. This was clearly deliberately indifferent to my medical needs. He did nasty things to my food every time he served my food. Because I send letter out about him.

Claim #2

C.O.C.Cook came into my cell punched me unconscious. Then he assisted C.O.D.Fulton with slamming me on my head. All of which happened after he staged the whole event with my celly K.Mac; who's incident report for assault was thrown out just like C.O.C.Cook promised. Because F-2 unit counselor J.Graham did not (UDC) him. Just like C.O.Cook and Fulton

'Attachment to page #5' #8 of #16
told him not to. This was clearly deliberately
indifferent to my medical needs. Because he did not
report the last two of my three assaults that day.

Claim #3

John Doe (lieutenant). He told me that I was
going to be seen by medical for my head injury
while I was still waiting in the shower. He shot
me in my face with the pepper gun multiple times
while my cellmate was assaulting me. In the end
he reported that I self-dechemicalized inside the
shower. He lied in his report to cover-up for Fulton
and Cook. And in doing that he ignored my medical
needs. This was clearly deliberately indifferent to
my medical needs.

Claim #4

Jerry Catt (Physician). He cosigned a report from
C. Weirema or C. Wierema (RN) on 12-8-21. Saying
that I only had one injury, and that it was my lip
busted. I told him that I was slammed on my head and
Knocked unconscious. And that my face was fractured.
And that I have a concussion. And he saw the big knot
on my forehead and he did not report it or treat it.

'Attachment to page #5' #9 of #16
He just chose to ignore it. I told him every thing. Event
that I need a (MRI) CAT scan. He lied by signing
the false report. And the report say's that I only
said that I have a busted lip. This was clearly deliberately
indifferent to my medical needs.

(Claim #5)

C. Weirema or C. Wierema (RN). She walked into
F-2 unit with a open needle and told me that
she has to give me a TDAP shot. And she shot
me in the arm with the needle. She said the needle
is for all my wounds and cuts to hell just in case
the hand cuffs cut me during my assaults. I was
never cut by the hand cuffs. So there was no
reason for the shot. She reported that I did
not have any injuries other than a busted lip. So
why did she give me a T-DAP shot? Because the
needle was poisoned. And now after getting that
shot all of my cuts heal very, very slow. It takes
about 2 weeks for a cut to heal now. She reported
in her medical file that I self-dechemicalized in
the shower after the assault. But she was not
there when C.O. Cook and C.O. Fulton escorted me
inside the shower. The report that she made has
to match C.O.D. Fulton's and C.O.C. Cook's and

'Attachment to page #5' #10 of #16
the Lieutenant's report's of the dechemicalizing.
By BoP Policy Staff has to dechemicalize a
inmate. But that's her report on file. And I have
a copy of it. I mailed it home to my family. She
lied to cover for C.O.C.Cook and C.O.D.Fulton. And
I have the proof of the report. She saw the big
Knot on my head. And I told her that I have a
fractured face and a concussion. I asked her if I
could still die from getting slamed on my head and
Knocked unconscious. And She told me that I would
have die with in minutes. She told me that I would
be seen for my injuries to my head. And I never
was seen for it. This was clearly deliberately
indifferent to my medical needs.

Claim #6

Mr. Avery (Captain). He came up stairs for the
first time during the first week of May 2022.
I believe it was on or about 5-3-22. I was in
cell F-243 in F-2 Unit. I tried to show him
my bloody tissuse from my nose, but he said he
did not want to see it. And he would not take
a letter explaining what the C.O's have done to me.
And that I want to do the Administraative Remedy
Process. So I just told him and he Kept on walking.

'Attachment to page #5' #11 of #16
I also told him that I need medical help because of my head injury. And he just ignored me and walked off. This was clearly deliberately indifferent to my medical needs. The Captain is the head of security at the prison. I tried to talk to him other times but he ignored me.

Claim #7

Mr. Bergami (Warden). He came up stairs for the first on or about 5-3-22. And he stopped and talked to me. And I told him everything and gave him a letter explaining everything. And he told me that he was going to get to the bottom of my issue with the staff there at Thomson USP. He told my unit manager to make sure I get a BP-9 form. But I still didn't get one. And I told him when he came back two weeks later. And he said that he was going to handle it. I had to tell staff that I was going to commit suicide to avoid going to another cell where C.O.D. Fulton took me to so the inmate could assault me in cuffs again. That was on or about 5-31-22. The inmate's name was Jerome. I had to file a prea on him because he threatened to rape and kill me if I go in the cell with him. So, I saw the Warden at suicide watch and he promised me a good celly

'Attachment to page #5' #12 of #16
and I did get one. I told him my food is being poisoned by staff at the direction of C.O.D. Fulton. And he just kept making promises that he could not keep. He saw my bloody tissue's. And he promised me that I would see the doctor. But I never seen the doctor again. This was clearly deliberately indifferent to my medical needs.

Claim #8

S. Madden (C.O.). She lied to federal agents when she refused my visit from the (DOJ). And she stopped me from getting the medical help that I seriously need. And she put my life in further danger by canceling the (DOJ) investigation into my situation with C.O. Cook and Fulton. She was covering for the C.O.'s. This was clearly deliberately indifferent to my medical needs. Because I told her everything that happened.

Claim #9:

J. Graham (Counselor). He stopped me from getting the medical help that I seriously need. By not allowing me to file the administrative Remedy Process. And he put my life in further danger by doing so. This was clearly deliberately indifferent

'Attachment to page #5' #13 of #16
to my medical needs. And he did it to cover for
the C.O.'s Cook and Fulton.

Claim #10

D. Gonzales, Jr. (Complex Warden). He did his weekly walk through's every week just about. But he ignored my scream's and hollar's for help by not coming up stair's until May 2022. Then he still ignored me after I showed him my bloody tissue's. I told him about the assault's by Cook and Fulton. And my injuries and he just kept on walking. This was clearly deliberately indifferent to my medical needs.

Claim #11

Colette Peters (F-BOP Director). She never did anything to help my situation after I wrote her through the Department of Justice. I have the number to the certified mail receipt in my property. The receipt never came back. But Counselor J. Graham told me that the letter went out. I believe I sent the letter out in February 2022. I explained everything that happened to me. And that I need serious medical attention. And she did nothing. This was clearly deliberately indifferent to my medical

'Attachment to page #5' # 14 of #16
needs.

Claim #12

John Doe #2 (North Central Regional Director). I wrote up a sensitive BP-9 that I got from a inmate name Rico. And I mail it out through a counselor name L.Stringer. I believe I mail it out on 3-8-22. I sent it to the Director as a sensitive complaint. And I explained to him that C.O. Cook and Fulton tried to kill me. And all the other staff at the prison had conspired to cover it all up; by ignoring my medical needs and falsifying reports. And by not allowing me to file the Administrative Remedy Process. The Director wrote me back saying that my complaint is not of a sensitive nature. And to file at the same prison the Administrative Remedy Process. Event though I wrote him telling him that I was denied the right to do so at the prison. This was clearly deliberately indifferent to my medical needs.

Claim #13

C.Bungard (RN)

I showed her my body tissue's and explained

'Attachment to page #5' #15 of #16
everything that happend to her. And she said to
give her a cop-out/sick call slip. And I gave her
many of them. She saw me once or twice. But
she would not let me see the contracted Physician
Mr. Sterett. She also informed me that other medical
staff were lying in my medical reports and making
false reports in my medical file. But she would
not do anything about it. And when she did see me
for my sick calls, it was never for my head injury.
This was clearly deliberately indifferent to my
medical needs.

Claim #14

T. Kirkpatrick (C.O.). He was working at the
R & D on or about (8-18-22). He helped C.O.
D. Woods pack out my property. They both packed
two Boxes full of my property. While they were
packing my property Mr. T. Kirkpatrick told me
to shut the F-U-C-K up while Mr. D. Woods
is counting my property. And that they do not
like inmates at Thomson USP that file on staff. And
he said that I will be lucky if my property follows
me to the next prison. And that he will take
all of my property and throw it away so I will
not file on staff again. When I got to the R & D

'Attachment to page #5' #16 of #16
on 8-22-22. A unknown C.O. was change out
my clothes so I could get on the bus to transfer.
And I had legal mail that I wanted to put inside
of my property. And he said "What property."
C.O. D.Fulton help carring me to the R&D and to
the Bus. When I got to Hazelton USP, I was
told that my property was not there. I asked
again almost two month's later and it still was not
there at the prison. C.O.T.Kirkpatrick has stolen my
legal documents and evidence for this Civil Action
case. Which can play a big part as to whether
or not I win this case. He destroyed evidence.
This was clearly deliberately indifferent to my
medical needs.
